Please add the following new claim:

54. (New) An ink cartridge for a printing apparatus providing ink to a print head through identified application as follows:

07/30/2002 SUNTHE CLAIMS:

84 Please add the following new claim:

an ink supply needle and removably attached to the print head, comprising:

an ink chamber for containing ink;

an ink supply port for supplying from said ink chamber to the print head of the printing apparatus, said ink supply port comprising an external opening;

a packing member provided in said ink supply port, forming an ink channel for allowing a flow of ink, said packing member sealing the ink supply needle of the printing apparatus by fitting therewith; and
